1. Thank you to the Raiders Dance Team who are performed a 'Star Wars' Dance routine at the Plymouth Raiders Basketball match last Sunday. Thanks also to Mr Deacon, Miss Goodwin, Mrs Leeds, Miss Gould and Miss Haddleton for supporting this.
2. Thank you to staff for their support with the Year 11 Revision Day last Wednesday. Students went away knowing lots of revision strategies; knowing how to manage a revision timetable and coping with pressures and anxieties in the run up to the exam period. Special thanks to Mrs Jackman, Mr Pilling, Mrs Hallworth, Mr Kevern, Mrs Reynolds, Mrs Chapman and visitor Kath Revell, an expert in relaxation and meditation.
3. Thank you to Mrs Owen, Mr Frasle and Mr Minnette for accompanying the students who are competing in the Magistrates' Court Mock Trial competition last week at Truro Magistrates' Court. Congratulations to the students who performed brilliantly, and clearly should have won the competition following their flawless performance. Well done to them all for taking part this year and representing the Academy and to the students who mentored them.
4. Thank you to Governor Dr Evans for meeting with students to discuss the impact of our English intervention programme last week. Thank you also to the students who participated in this.
5. Good luck to the team who are playing in the East Cornwall Netball Finals on Wednesday. Good luck also to those competing in the Cornwall Youth Games on Friday afternoon.
6. A group of our students are attending 'The Big Bang Fair' on Wednesday 16 March 2016 which is to be held at the NEC in Birmingham. The Big Bang Fair UK is an award-winning combination of exciting theatre shows, interactive workshops and exhibits, as well as careers information from STEM (Science, Technology, Engineering and Maths) professionals that all combine to demonstrate the huge number and diversity of career opportunities that exist for young people. The Big Bang Fair aims to show young people the exciting and rewarding

opportunities out there for them with the right experience and qualifications, by bringing classroom learning to life.

7. On Wednesday during period 5 Year 8 students will take part in Surfers Against Sewage's 'Be The Change' Education Programme. This programme highlights the importance of clean, happy community spaces and encourages, informs, inspires and empowers young people and the communities they represent to find solutions to the current litter crisis. This session will also include an Interactive education workshop. Thank you to Mr Pilling for arranging this.
8. Year 11 students will be involved in interviews with representatives from Bodmin College on Wednesday.
9. We look forward to the Year 9 parents'/carers' evening on Tuesday.
10. See the notice below from Looe Town Council which gives information about their offer to all children living within the boundaries of Looe, up to and including the age of 16, of a Queen's 90th Birthday Commemorative coin.
