## October half term activity programme 2011

# Welcome to the new October half term activity programme

now advertising activities across East Cornwall, all the way from Bude to Torpoint.

Please read the following points, so that the booking process is made as simple and hassle free as possible for you:

- Full provider details are given throughout the booklet, so please contact them directly for more in depth descriptions of their activities, and what the children will require to bring with them on the day, and of course to book a place.
- Children will need a drink and a snack for each session and a packed lunch if staying all day, unless stated differently in the programme, where a hot meal is provided. Meal Deals and Slush and Chips offers are available at Lux Park, Saltash and the Dragon Leisure Centre, so please enquire for further details. A waterproof coat and appropriate clothing is required for all outdoor activities.
- Booking is essential for the majority of activities, so please book in advance as all activities are subject to change and will be cancelled if minimum numbers have not been reached 7 days prior to the activity taking place.

- Payment must be made with booking and a booking form must be filled out prior to the activity taking place. No booking forms will be accepted on the day. Booking forms will be available from your local leisure centre or you can download one at [www.cornwall.gov.uk/leisurecentres](http://www.cornwall.gov.uk/leisurecentres)
- Age ranges are there for a reason, so please ensure that the correct ages of children are adhered to, otherwise this could invalidate the providers insurance if ignored.

If you have any queries or would like to give feedback on the format of this holiday programme, please contact **Zoe Harris** on **07702 084384** or email [zharris@cornwall.gov.uk](mailto:zharris@cornwall.gov.uk)

**Disclaimer:** All external providers have confirmed that they hold all necessary accreditation, qualifications and insurance to organise and run the events and activities described. No duly appointed officer of Cornwall Council has inspected these services and parents must make their own enquiries and satisfy themselves as to the suitability of the providers before engaging their services. In all circumstances, Cornwall Council will not accept any liability arising from those events.
