Literacy Objectives from Literacy INSET 2
<u>The Value of Writing</u> Varying sentences Using discourse markers Success criteria for Mind the GAP (genre, audience and purpose) Drafting, re-drafting and proof reading Modelling: Talk, model, write

Health, Safety and Wellbeing
Manual Handling Staff are to consider their own limitations when contemplating lifting or moving heavy or awkward items and must take in to account the limitations of each individual student when asking them to set out equipment or move or carry items. There are a number of mechanical devices available to the site team, who have been trained in the safe methods of manual handling. Please seek their support if you think that the task is beyond your, or a student's, limitations.

1. Welcome back to staff and students and I hope you have had an enjoyable Easter break.
2. A very warm welcome to our new Deputy Headteacher, Mr Yalden, who joins us this week.
3. Thank you to those staff who ran revision classes for Key Stage 4 students during the holiday.
4. We wish the staff and students who are going to Iceland on Wednesday a wonderful time. The trip aims to enhance students' learning experiences especially in the areas of Geography and Science. As you are aware, this trip was originally scheduled for during the February half term but due to bad weather was curtailed.
5. Thank you to all who supported the SMART Student Council meeting which was held before the holiday, and to Mr Stevenson and Mr Minnette for providing transport. During the day the students enjoyed viewing the school and the work we do.
6. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the Humanities department this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.

Mrs Jenkins, Headteacher

Monday 16 April
