Health, Safety and Wellbeing

Staff are required to report all accidents, unsafe situations and near miss incidents so that they can be investigated to improve our management of health, safety and wellbeing

1. Thank you to Mrs Jackman, Mrs Reynolds, Mr Pilling, Miss Curtis and Mr Gilbert for delivering the Year 9, 10 and 11 Key to Success and Positive Futures Evening last Thursday when a range of independent experts, including local schools, colleges, universities and apprenticeship providers gave information about further and higher education and employment-based training and the range of post-16 pathways. The Key to Success presentation also helped to empower parents and carers with a toolkit that will help their child to reach their potential and 'Be the Best they can Be'.
2. A group of Year 9 students will be taking part in a STEM Engineering Challenge on Wednesday which has been organised by Lockheed Martin and the Merlin Helicopter Engineers at RNAS Culdrose and supported by Cornwall Education Business Partnership. The students will be working alongside some of the UK's leading engineers based at Lockheed Martin on a practical problem and a real life design challenge.
3. The Class of 2017 Reunion and Certificate collection evening will be on Wednesday this week from 5.30-7.00pm when we look forward to welcoming back and catching up with the students who left in the summer.
4. Year 10 and 11 mocks continue this week until Wednesday. Exam zones will be in operation and students are reminded to observe the signs. Thank you to Mrs Gavin and staff for their assistance with this.
5. Thank you to the staff who have used the IRIS Connect system. IRIS will have an open week this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
