Literacy Objectives from Literacy INSET 2

The Value of Writing

Varying sentences

Using discourse markers

Success criteria for Mind the GAP (genre, audience and purpose)

Drafting, re-drafting and proof reading

Modelling: Talk, model, write

Health, Safety and Wellbeing

Staff are required to report all accidents, unsafe situations and near miss incidents so that they can be investigated to improve our management of health, safety and wellbeing

- Welcome to Miss Mugford who joins us as Teacher of Dance to cover Mrs Day's maternity leave.
- It was lovely to see the ex-Year 11 students last week for their certificate collections and hear about their progress. Several students have coursework to still collect. Staff, please arrange for this and supervise the handover.
- Thank you to Mr Gilbert for accompanying the group of Year 9 students who took part in the STEM Engineering Challenge last Wednesday at RNAS Culdrose. The students worked alongside some of the UK's leading engineers based at Lockheed Martin on a practical problem and a real life design challenge.
- Our annual catering survey has been launched and will run for the next 2 weeks with the last chance for entries on Friday. It should take a member of staff about 2 minutes to complete and students between 2-5 minutes. There is a chance to win a £10 Amazon voucher to encourage students to participate. The survey can be accessed at: litmusconsumerinsight.co.uk/CCGroupA. Could tutors please encourage students to have their say so that we can target and prioritise improvement in the provision of the catering service. I would encourage all staff to get involved too.
- On Thursday all staff are required to attend safeguarding training from 3.30-5.30pmin the Small Hall.
- Amy East will be visiting the Science department on Monday and Tuesday as part of a school experience opportunity before starting her initial teacher training next year.
- Thank you to the staff who have used the IRIS Connect system. IRIS will be in Maths this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.

8. The Student Council have passed on their thanks for implementing the 'Need to Know' booklets with Year 7 and 8. Learners have found this to be extremely beneficial in supporting their learning progress and for some students increased confidence has been noticed.

Mrs Jenkins, Headteacher

Monday 4 December
