Dear Parent/Carer

Sport and PE Extracurricular Activities

We are pleased to announce our new Sport and PE extracurricular activities program that will be on offer at Looe Community Academy starting after half term when we will run various clubs for students in Year 7 to Year 11. We are ahead of other schools of our size in offering such a range through dedicated staff and coaches who are ready to share their expertise but of course this can only continue if students commit and attend extracurricular activities on offer. We are therefore encouraging each student in KS3 to attend at least one activity per week.

Although we try to keep clubs free of charge, some activities require a fee to cover the cost of the coach or equipment. There are different fees for different clubs and clubs also run for a different number of weeks, so please check the timetable carefully. Payments for our clubs can only be made via ParentPay (if you require login details to activate your ParentPay account then please contact Reception).

Please note your child's choices before returning the slip as we do not issue any letters confirming club choices.

While we will always look for ways to run the clubs, there may be the odd occasion where the session will have to be cancelled due to staff absence, as we do not always have alternative expertise available.

Please complete and return the enclosed form to the Student Services by Tuesday 1 November. The extracurricular programme will commence on Monday 7 November.

Team App

I am pleased to announce that we now have our own App that we are encouraging students to download called TeamApp; this is accessible on mobile phones, tablets or computers. TeamApp is free and allows students to find out when clubs and activities take place, to receive reminders for the events they have selected, to receive information and notifications about upcoming fixtures and team selections and to celebrate Academy sporting success.

To get the full features of the App we suggest you download TeamApp onto your device and sign up using your child's name. It is quick and easy to get set up:

- Download TeamApp from the Apple Store or Google play.

- Sign-up to TeamApp using your child's Academy email address, which consists of your child's login user name followed by @looe.cornwall.sch.uk (they will know this).
- You will then be sent an email to confirm your registration.
- Log in and search for Looe Community Academy and request access to those group(s) that apply to your child.
- Once authorised by admin, you will be ready to use TeamApp.

Should you have any questions about the Sport and PE extracurricular activity program, please do not hesitate to contact me at the Academy.

Yours faithfully,

Lucy Curtis
Leader of Sport and PE
