1. I am delighted that last week the new Integrated Health Centre was completed, funded by the NHS. We look forward to this facility being used by a range of healthcare providers to support our young people in the Looe area. This has been 3 years of negotiations and planning and now becomes the blue print model building for the NHS to work in other schools. Data protocols will be established and students will have an opportunity to be part of the well-being committee to oversee its management. Thank you to the hard work of all involved, especially Mr Green for managing the project on to the site. This will complement the work done in school on Emotional Resilience.
2. On 1st April 2017 Looe Community Academy will now be part of SMART, South East Cornwall Multi Academy Regional Trust. We look forward to this formal collaborative way of working.
3. Thank you to Mr Sheer for organising the Primary PE Festival last week
4. Thank you to Mr Langdon for teaching Technology to Trenode primary school students for the past 4 weeks. Students have enjoyed using our facilities here.
5. IRIS will be in Maths this week which continues teachers' self-evaluation and reflection of lessons.
6. Thank you to Mr Riley and Miss Rothero for organising and accompanying students to the East Cornwall Youth Games.
7. Thank you to Mrs Day and BTEC Dance students for running the Dance Workshop at Looe Primary Academy. This leadership and choreography opportunity for students forms part of their BTEC qualification.
8. Due to the large number of students involved in exams, the INSET day has moved from Friday 16 June to Monday 19 June 2017.
9. The Looe Learning Forum of local primary Headteacher and I met last week to discuss transition and how we can develop the curriculum links between departments and share assessment and moderation.
10. Thank you to students for their assembly for Comic Relief and raising £411.15 for Red Nose Day.
11. School will be closed for Easter from Monday 3 April to Monday 17 April. Students return on Tuesday 18 April.
