1. I was delighted to receive a letter week from the Deputy Prime Minister, Nick Clegg, in relation to Pupil Premium. He writes to congratulate us on the improvements that we have made to the results of students eligible for the Pupil Premium. He goes on to say:
‘The most recently available Key Stage results show that you are among the top performing schools in England for boosting the performance of disadvantaged pupils since the Pupil Premium was introduced. This is a real testament to the hard work of staff, pupils, parents and governors. I would like to congratulate you on your results and your proven commitment to making sure all children can succeed, whatever their background.’
I would like to add my thanks to everyone who has worked hard and continues to work hard for all our learners.
