Bulletin Notices from Miss Jenkins

1. Congratulations to the Year 10 GCSE Drama students who performed at the Hall for Cornwall last Monday. Thank you to Ms Turon for preparing them.
2. Thank you to Mrs Stammers and Mrs Smith for smooth organisation the January examinations.
3. Thank you to Mr Saddler, Mrs Spencer and Mrs Gummow for their invaluable help with the SEN Key Stage 4 reviews.
4. Congratulations to Elysia Gregory, Harry Pratt and Lauren Fisher for getting through to the next round of the Rotary Club Youth Speaks competition having been told by the judges that they were the best group for their age group that they had ever heard. The theme was 'Sleep – What's the Point?' having been inspired by one of my assemblies last term!
5. Advance notice of the Year 11 Parents' evening next Thursday 10th February. Teaching staff please make appointments with Year 11 parents in particular of those students who need extra support in preparing for their GCSE's. Reports have been sent home to parents.
6. Well done for collecting a total of £411 for Ellie's Haven during our Mufti Day last Friday.
7. This week the SLT are conducting a subject of Modern Foreign Languages.
8. You may have heard this week that the Government has launched a review of the National Curriculum, with programmes of study available from September 2012 and to be taught in English, Maths and Science from 2013 with other subjects to follow the year after. The consultation process begins now. If you wish to read more about their proposals, full details can be found on the DfE website - www.education.gov.uk.
9. I have registered Looe Community School as seeking an interest in Academy Status with the Department for Education. Full information about the conversion process can be found on their website. At this stage I know that a third of Cornish secondary schools have made an application, one third are seeking information and the remaining are either not pursuing or not in a position to pursue.

10. Teaching staff: please let me know if you wish me to set up an additional after school meeting specifically to talk about the Teachers' Pension Scheme. See my email.
11. The plans for the new building for Travel & Tourism as part of the South East Cornwall Tourist Academy (SECTA) have now been submitted to planning and if passed work will commence in May ready for occupation in September 2011.
12. Primary liaison work this year includes continuance of Gifted & Talented maths classes, training Dance Leaders, play-in-a-day connected to a Mid-Summer's Dream (our version of Shakespeare), the Gifted & Talented Maths Race and Samba workshops. The very successful Art Tent Week is planned and may well be on a mathematical theme (to be confirmed). If any department has any other primary liaison work plans please ensure that I am informed so that Primary School are not overwhelmed.
