29 April 2015

Dear Parent/Carer

### **Team Building - Supporting Transition to Secondary School 2015**

Looe Community Academy has developed an engaging programme for Year 6 pupils that will help support their transition to secondary education. All children 'moving-on' to our Academy in September have the opportunity to participate in a one day programme that will focus on having fun, starting to build new relationships and team building with other children.

Your child is invited to attend this programme on **Tuesday 23 June 2015**. The day will be led by the Academy's Family Support Manager and delivered by school staff. The activities will take place at **Looe Community Academy and on the beach in Seaton, Cornwall**.

**Please note that we are running this programme over three days and that children from the same school may be attending on a different day.**

The day will consist of a variety of indoor and outdoor team-based activities. Some will be physical, others will involve creative thinking and problem solving. All activities will involve them having to work with others to successfully complete the tasks; together everyone achieves more!

**Transport arrangements:** Please drop your child off at **Looe Community Academy** at **9.00am** for registration and pick them up at **3.30pm** from **Looe Community Academy**. Please ensure that you come with them to register and to pick them up. They will be transported by minibus or car to access the afternoon activities at Seaton Beach.

**What to wear and what to bring:** Please read the attached kit list.

**Please could you complete the consent forms attached and return them to your child's primary school.  
Your child will not be able to participate in the programme without a completed consent form.**

I am confident that your child will thoroughly enjoy this programme and that it will help support the move to secondary school. If you have any questions about this programme, please do not hesitate to contact me.

Yours faithfully

**Judy Richardson**
