Dear Parent/Carer

Open Evening – Wednesday 3 October 2018

I am writing to invite you to our Open Evening on Wednesday 3 October, from 6pm to 8pm, to meet our staff, see our students at work and view our fantastic, modern facilities.

I am aware that you are about to make an important decision which will affect the next five years of your child's life and I would like to help you make the best choice. I hope that attending our Open Evening will play a large part in simplifying your decision. It is only natural that you may be anxious about the transition between primary and secondary school and this will allow you to ask questions and discuss your needs or concerns with staff. There will be a short presentation at the start of the evening, after which you will be welcome to view the whole school. If you are unable to attend the Open Evening, or simply wish to see the school at work during the day, we will be happy to organise a tour for you on Thursday 4 October or Friday 5 October. Please telephone our reception in the first instance and we will arrange an appointment for you.

Please find enclosed our Prospectus which will give you an insight into the way we work at Looe Community Academy. Our school website holds further information and news events at www.looe.cornwall.sch.uk. We continue to be a successful school with pleasing exam results this summer.

Our conversion to an Academy is testament to our success and our previous specialist college status of Performing Arts, Maths and Computing continues to be embedded within our practice. In April 2017 we combined with other local schools to form the South East Cornwall Multi Academy Regional Trust (SMART) to ensure further collaboration and opportunities locally. Our most recent Ofsted inspection in July 2015 once again judged us to be 'good' and success like this means our academy will be a very popular choice. Living in the designated area does not automatically secure a place; it is therefore important that you make Looe your first choice preference and make an online application or return your application form to your primary school by the deadline of 31 October 2018.

I look forward to meeting you. Together we can ensure the next five years of your child's education get off to a really good start.

Yours sincerely

Mr Scott Yalden
Acting Headteacher
