Dear Parent/Guardian,

School transport during the closure of St Martins Hill

During the ongoing closure of St Martins Hill the school buses from the west of Looe will need to take a detour to transport your child(ren) to school.

This detour will be in place after half-term, until such time as the works are completed

In order to ensure on-time arrival we will be required to run the school transport some 15 minutes earlier than the current operating time.

Adjusted pick-up times for the LOOE55 services are as follows;

LOOE55

Lansallos Car Park	-	0730
Trenewan	-	0737
Trenedden Peakswater	-	0740
Highgate Crossroads	-	0741
Lanreath Punch Bowl	-	0745
Ashen Cross	-	0750
Trelawne Cross	-	0755
Trelaske	-	0757
Oaklands Holiday Park	-	0758
Parkers Cross	-	0759

As is the requirement for the standard timings, please ensure your child is at the stop 5 minutes prior to this adjusted time.

Yours sincerely

Passenger Transport Unit
