Dear Parent/Carer

Accessing Distance Learning - Power Up – English – Year 7 and 8

Students in Years 7 and 8 will soon access a literacy program called Power Up.

It is expected that all students in Years 7 and 8 will complete three sessions of Power Up a week, each session will include word study, grammar and reading comprehension.

Your child's English teacher will deliver a lesson about Power up in the coming weeks and log ins and passwords will be sent home to you with a leaflet explaining the benefits of the literacy intervention and why consistency in completing the sessions are of benefit in raising progress and attainment across the curriculum.

Yours faithfully

Mrs K Jackman
Deputy Headteacher
