Headteacher: Miss H.R. Jenkins BSc

18th February 2011

Dear Parent/Carer

Year 9 Annual Report

We are pleased to enclose your son/daughter's Annual Report for Year 9.

For many students, they have been putting a lot of time and energy into their studies and for this they should be congratulated.

In the report, each of their subject teachers has highlighted the students' strengths and areas for development. We would hope that you are able to discuss the report with your son/daughter and help to support any improvements that can be made.

To gain as much helpful information as possible, we'd like to invite you to two meetings at the beginning of next half term:

Tuesday 1st March 2011 at 7:00pm, we will be running a 14-19 Curriculum Pathways evening to give details regarding future Year 10 options and courses.

Thursday 3rd March 2011 between 4:00pm and 7:00pm, we will be holding Year 9 Subject Teacher and Parent Evening. Please find enclosed an appointment sheet for this evening; this should be completed by <<Forename>> on <<his>> return to school to enable you to speak with the relevant subject teachers.

You may have noticed news coverage about the Government's introduction of an 'English Baccalaureate'. This is a massive change to the education system and, for your consideration, we have included some information about the changes and your son/daughters estimated grades in Baccalaureate subjects.

Finally, if you are unable to attend the Teacher and Parent Evening, but would like to discuss their progress, please telephone the school at your earliest convenience to arrange an appointment with me or an appropriate member of staff.

We look forward to seeing you soon.

Yours sincerely

S Gray
