Dear Parent/Carer

Ofsted Report

As you will know the academy was inspected by Ofsted on Wednesday 9 January.

Many of you were kind enough to contribute to the inspection by commenting on the Parent View website. I am pleased to now be able to share the final report which confirms that the academy continues to be judged as 'good' and that our safeguarding is effective. This report will also be available on the Ofsted website later this month.

There are many positive features shared within the report which are a testament to the students, staff and governors that constitute our academy community. We will continue in our drive to improve the educational experience we offer and address the next steps identified in the report.

Yours faithfully

Mr Scott Yalden
Headteacher
