Dear Parents/Carers

Potential Closure due to Industrial Action on Thursday 10 July 2014

As you will be aware from the media, the Trade Unions are currently in dispute with the Government regarding amendments to pay and conditions of service and pension arrangements.

The NUT (National Union of Teachers) has given us notice of their intention to take national strike action on Thursday 10 July 2014 and members at Looe Community Academy have indicated their intentions to take lawful industrial action.

The impact of this action is currently being assessed in terms of our ability to continue to provide the curriculum without compromising our duties regarding the safety and welfare of students and we will of course endeavour to keep the Academy open. However, should this not be possible, I can assure you that any decision to close, or to partially close, will not be taken lightly.

Given the potential inconvenience for parents and carers, I thought it helpful to provide you with advance notice now, and I will notify you of the final decision as soon as I am able.

Yours faithfully
