### ***Bulletin Notices from Miss Jenkins***

1. Many thanks to Mr Saddler, Mr Keveth and Mr Damerell for leading training on INSET day and to all teaching staff for their enthusiastic response.
2. Many thanks to Mr Kevern and Miss Wood for leading GCSE History/Art course work trips to London, not once but twice, due to large numbers of students, in the last week of Autumn and first week of Spring term.
3. Tutors please check uniform carefully and report students without school fleeces to Learning Leaders of Year teams. I am most concerned about some students being inadequately dressed in cold conditions. All students should have their fleeces in school at this time of the year and should have them on in the most formal occasions eg assembly. There are a small number of students wearing 'skinny' trousers rather than tailored trousers – please have a quiet word.
4. Subject review meetings start this term; Science is the first department. Lesson observation timings will be notified in advance. All staff being observed should provide a lesson plan for the observation, using their preferred template or the school's. For moderation of judgements there may be two observers.

5. School fields are out of bounds unless for lessons, due to muddy conditions. The tarmac area around the back of the MUGA is out of bounds to deter smokers. Anyone smoking, or associating with smokers, will receive an S7 from me. Please refer to the student planner. I am looking very closely at the school drugs policy with Mr Saddler and other agencies.
6. Examinations start this week. Please support Mrs Stammers who is temporarily covering this pending the start of the new Examinations Officer. Students should be reminded of the need to keep away from the reception area and exam area.
7. School Website - please remember to let Mr Lees have details of any events taking place in or out of school/interesting articles/news/information etc so that it can be put on the website.
