Summer Solstice – 21 June Armed Forces Day – 24 June

Literacy Objectives from Literacy INSET 2
The Value of Writing Varying sentences Using discourse markers Success criteria for Mind the GAP (genre, audience and purpose) Drafting, re-drafting and proof reading Modelling: Talk, model, write

Health, Safety and Wellbeing - Taking Students Off Site
We are fortunate to offer students wider experiences and opportunities to learn away from the Academy, but this needs to be carefully managed to ensure that their learning is not disrupted and that they are kept safe. Staff are required to follow the well-established educational visits process; a good starting point is the Educational Visits folder on the Admin Shared Documents area. The checklist (see folder "Forms") will guide you through the process, which starts by securing SLT approval for the activity. Once approved there are a number of key stages that need to be followed, including submission of the Educational Visits form, undertaking risk assessments, securing parental consent and providing a copy of all supporting documents to SLT emergency contacts. If in doubt about any part of the process, please see a member of SLT.

1. Welcome to our new Student Support Advocate, Miss Clarke who joins us on Monday this week.
2. Thank you to Mr Riley for arranging the special assemblies and celebratory BBQ for the Year 11 Leavers' Day last Friday and the staff who supported this day. From Monday 18 June study arrangements will be altered and students will be expected to attend school only for examinations or for revision sessions. Private study rooms available exclusively for Year 11 are the Small Hall and Library, where there are also computer facilities. Year 11 will be expected to sign in and out of the building at Student Services each day they attend school. We look forward to the Class of 2018 Prom on Friday at the Hannafore Point Hotel, 7pm for 7.15pm when we coordinate the balcony photograph, although many students begin to arrive from 6.30pm due to the long procession of vehicles. There will be marshals assisting with arrivals and with traffic. We respectfully ask onlookers and drivers to be mindful of safety, whilst allowing students to have their arrival photograph taken. Students are reminded that we, and the hotel, have a strict no-smoking and no-alcohol policy. Any student who does not comply with these requests will be asked to leave the hotel premises by staff on duty. Once students have arrived in the hotel they are to remain in the ballroom area booked by the Academy and they must be aware at all times that the Hannafore Point

Hotel will be operating as normal with customers present, as well as staff and students from the Academy.

3. Thank you to Mr Riley and Miss Curtis for accompanying students to the Super 8 Athletics in St Austell last week.
4. Thank you to Mrs Feldberg for arranging the Royal Navy to come into school to deliver a 'Can't Cook, Won't Cook' session to some of our Food Technology students last week.
5. On Monday the Year 10 Library Prefect team and Book Club students are attending a celebration of the Carnegie Book Awards at Plymouth College. Along with schools from Plymouth, we will be presenting a review of one of the short-listed books, other reading related activities will also be taking place.
6. Please be aware that this week lunchtime reverts back to the regular time of 1.25pm to 2.10pm.
7. Please also note that Monday 25 June is an INSET day and that the Academy will be closed to students. We begin the new timetable from Tuesday 26 June. Year 7 will be known as Year 8 etc. Year 9 do not change their shirts to white until September.
8. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the Maths department this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.

Mr S Yalden, Acting Headteacher

Monday 18 June

Leaders of Learning link data discussion week

Mrs Kevern and students off site, Carnegie Book Awards, Plymouth College
Representative from R S Design & Technology Ltd on site, machinery inspection, Technology department
