<p><b>Health, Safety and Wellbeing</b> The Academy is open to students on school days from 0800 – students should not arrive before this time as there is inadequate supervision. Students can remain on site after 1530 only if they are taking part in a supervised activity that has been agreed by SLT and features on the Bulletin (detention, homework club, sports clubs, rehearsals etc). Unless by prior arrangement with SLT, all students should be off site by 1630. If staff require assistance managing situations that arise outside of normal school hours, please judge the situation and seek support from site staff, Kestrel Guards (02380 865658) or the police (999 for emergency or 101 for non-emergency) – staff should not place themselves or students at risk.</p>

1. We say thank you and good bye to Mrs Richardson, Family Support Manager who leaves us this week to join the Community Hospital and Education Service. We send our best wishes to her in her new appointment.
2. Thank you to Mr Deacon, Mrs Reynolds, Mrs Ward, Mrs Plane, Mr Richards, Miss Rose and Miss Sallows for accompanying the students to the Plymouth Raiders game on Sunday. Thank you and well done to the Dance students who performed at the game.
3. Thank you to staff for the Year 10 Parents'/Carers' evening last week.
4. Thank you to Mrs Birkbeck for organising an E-Safety week, students thoroughly enjoyed the workshops from CLEAR, the police and Rich Cottell.
5. Intervention continues for Year 11. We have been really pleased with the amount of students attending 'The Works' Key Stage 4 Homework Club after school and look forward to our celebratory

assembly on Wednesday this week to praise students for their commitment to revision as we get closer to their exams.

6. There will be further mock exams this week on Monday and Wednesday. Students and staff are requested to observe the signs and exam zone arrangements.
7. This week we will be introducing 'purple pens' for students to complete their Dedicated Improvement and Reflection Time (DIRT) and having a whole school drive on students really engaging with DIRT to make it as meaningful as possible. More information to follow in the staff meeting on Tuesday and whole school assembly on Wednesday.
8. Selected students in Years 7 to 9 will attend the Big Bang STEM event at City College Plymouth on Tuesday. It will be an amazing opportunity for the students to take part in activities based around science, technology, engineering and maths (STEM). The event will host 24 interactive stands and activities delivered by a range of STEM organisations, including zoos, marine engineers and science specialists. Students will be able to take part in activities covering everything from bubbles to submarines, and optics to hydraulic arms, and are able to interact with a host of engineers, mathematicians and wild animals.
9. Thank you to the staff who have used the IRIS Connect system. IRIS will be in Coaching Group 3 this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
