Dear Parent/Carer

Current weather conditions

Further to my previous letter I am writing to update you with regard our expectations of uniform. Following our period of hot and uncomfortable weather the forecast for the next two weeks is warm but milder weather. Students are still able to wear short sleeved shirts of the appropriate colour if they wish and remove their blazer if they feel hot. They are required however from Tuesday 3 July to have their blazer on their person. This change will be communicated to students through their tutor periods and in assembly today.

We will continue to review these arrangements given the forecasts provided by the MET office and communicate any changes in good time to all concerned.

Yours faithfully

Mr Scott Yalden
Acting Headteacher
