<p><b>Health, Safety and Wellbeing</b> The Academy is open to students on school days from 0800 – students should not arrive before this time as there is inadequate supervision. Students can remain on site after 1530 only if they are taking part in a supervised activity that has been agreed by SLT and features on the Bulletin (detention, homework club, sports clubs, rehearsals etc). Unless by prior arrangement with SLT, all students should be off site by 1630. If staff require assistance managing situations that arise outside of normal school hours, please judge the situation and seek support from site staff, Kestrel Guards (02380 865658) or the police (999 for emergency or 101 for non-emergency) – staff should not place themselves or students at risk.</p>

1. On Monday 19 February we look forward to all SMART staff joining together for the first time for an INSET day. This will be held at Liskeard School and Community College. Car sharing with colleagues is encouraged if possible. Looe Community Academy will be closed to students on this day. Thank you to the staff who are running workshops.
2. A big thank you and very well done to the cast and crew of our production this year, High School Musical JR, which took place before half term. Special thank you to Mrs Turon, Mr Richards, Miss Mugford, Mrs Feldberg, Mr Stevenson, Mrs Woodman and all the staff who helped to make it such a success. Thank you also to the for the hospitality students who worked hard to prepare and serve the refreshments for both nights and also to the costume department.
3. Thank you to Mr Pilling, Mr Gilbert, Mrs Reynolds and Mrs White for organising and accompanying the students on the trip to Iceland over half term. Unfortunately the trip was curtailed due to extreme weather and the 'plane was unable to land in Iceland. Well done to all students for their exemplary behaviour during this challenging and tiring experience. The trip's aim was to enhance

students' learning experiences especially in the areas of Geography and Science. Thank you to Mr Pilling for sorting all the extra travel arrangements and insurance processes and ensuring the trip is rescheduled for April 18<sup>th</sup> – 22<sup>nd</sup>

4. This week is E-safety week where we have events taking place on Tuesday and Wednesday. On Tuesday we start with a special assembly with PC Geoff Turner-Moore to talk about this subject and then we welcome Rich Cottell who will work with students in the morning on raising awareness about Online Safety and Cyber Bullying and then deliver an assembly to Years 7, 8 and 9. Rich is a singer/songwriter from Devon. Describing his music as feel good indie pop – with a 'life is just wonderful' vibe, Rich's personality is a perfect match for his music. Before performing to big crowds, Rich used to teach music to pupils in schools all over Devon. Since then he has supported some major artists including The Wanted and Conor Maynard. We also welcome back CLEAR who will lead workshops around safe presence online and sexting.
5. On Friday we welcome back ex-student Harry Drake for a special assembly which supports our Alumni programme. Harry has gained distinctions in his diplomas and a first class honours degree in music. He will then spend the day supporting Mr Richards in music.
6. Information letters have been sent home to all parents/carers regarding attendance.
7. Letters have been sent home to Year 8 and 9 parents/carers from HeadStart giving information about their Wellbeing Measurement Survey.
8. Good luck to the dance students who are performing at the Plymouth Raiders game on Sunday.
9. We welcome ex-student Rebecca Petrie this week who will join Mrs Turon in Drama for work experience as part of her Musical Theatre degree.
10. Thank you to the staff who have used the IRIS Connect system. IRIS will be in Ed Gilbert's Coaching Group 2 this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
11. Teaching staff now have access to new data collected before half term and will be having data discussions this week.
