9 January 2017

Dear Parent/Carer

**South East Cornwall Multi Academy Regional Trust (SMART) Presentation and Consultation Evening
Tuesday 24 January 2017 at Liskeard School and Community College at 6:00pm**

Governors, staff and students at Looe Community Academy have been working closely with a number of schools across South East Cornwall over the past year to strengthen the existing links between the local primary and secondary schools listed below. Ensuring the continuity and improving the quality of education for all of the young people in our local area is our biggest priority and to achieve this we have been working collaboratively to establish the South East Cornwall Multi Academy Regional Trust (SMART) comprising:

Bodmin College
Dobwalls Community Primary School
Landulph School
Liskeard School and Community College
Looe Community Academy
saltash.net Community School
Trewidland Primary School

This is an exciting time for the education of our children and young people that will ultimately benefit our school community and the wider community across South East Cornwall. Therefore we invite you to a presentation and consultation evening on Tuesday 24 January 2017 at 6:00pm at Liskeard School and Community College.

At the meeting governors, staff and students will provide you with more information about how SMART will work and what this means for your child and their education opportunities for the future.

We very much look forward to seeing you there and sharing our vision with you.

Yours faithfully

Mrs Heather Jenkins
Headteacher
