To be able to use PEE. To be able to infer and deduce. To read widely and often.</p>
--

1. We look forward to our school production 'Toad of Toad Hall' on Wednesday and Thursday evening this week at 7pm. Tickets continue to be on sale from Student Services and on ParentPay. Adult tickets are £5 each and £3 for children and concessions. We also look forward to welcoming community members: children from local primary schools to the matinee performance on Tuesday morning and guests from Hillcrest Nursing Home on Wednesday evening.
2. Thank you to staff for the Year 11 parents'/carers' evening on Thursday last week. We are pleased with the progress and attitude of Year 11 towards their exams.
3. Last week two year 10 teams consisting of Tom McLaren, Declan McNaught, Charlie Seddon and Ellis Charity, Ollie Hawkins, Joe Jackman travelled to the South Devon University Technology College in Newton Abbott to take part in the South West Regional Final of the annual Land Rover 4x4 in Schools' Technology Challenge. This is where students have to design and build their own remote control car and drive it over a model terrain, be interviewed on their manufacturing processes and provide a presentation to a panel of judges. Between them the teams won a trophy for the Best Engineered car, a trophy for Innovative Thinking and third place overall which puts them into the National Final at Silverstone on 28 March. The two teams are now going to amalgamate and build a new car and develop their presentation work for the final and would appreciate any form of sponsorship to support them in their venture. Thank you to Mr Langdon and Mr Long for taking them on their adventure.
4. Thank you to Miss Haddleton for arranging the Year 9, 10 and 11 Intermediate Maths Challenge last week.
5. Welcome to Lucy Rothero on Tuesday who joins us from the University of St Mark and St John on a PE placement until 28 June.

6. There will be a second TUPE meeting on Friday at 3.30pm in order to answer any questions which have been raised during the consultation process in relation to joining SMART Multi Academy Trust. All staff are invited to attend this.
7. IRIS technology will be in Technology this week which continues teachers' self-evaluation and reflection of lessons.
8. Please note that queues for buses will be in the Sports Hall all this week.
9. The Academy closes on Friday for the half term holiday and reopens on Monday 20 February.

Mrs Jenkins, Headteacher
