1. Thank you to Mr Deakin for leading the trip to see Hairspray at the Theatre Royal last week. Thanks also to Mrs Reynolds, Mrs Feldberg and Mrs Turon for accompanying the students. Students are reminded to watch out for Vivo vouchers for up and coming Raiders games or Theatre events.
2. From Monday Year 11 Intervention will start straight away when the student arrives in school at 8.40am. They should go straight to their Intervention group instead of to their tutor to register.
3. 'Book Looks' continue this week.
4. Open Door fortnight continues this week.
5. We welcome HeadStart again on Tuesday. We are privileged that our young people have been chosen to work with Head-start to develop their 'Normalised Online Behaviour Workshops' in conjunction with Professor Andy Pippin from the University of Plymouth and Dr Sarah Canavan-King an Education Psychologist working in Cornwall. We welcome them and look forward to students developing further expertise through peer to peer support around safer internet and online usage and behaviour.
6. Well done to Year 9 students for being chosen to work closely with Healthy Schools to make a film about external agency access and support for young people around bullying, LGBTs, personal and social issues. We look forward to sharing the completed film in assembly when it is complete and helping our students and Healthy Schools spread their message about access to external support agencies.

7. Thank you to Mrs Birkbeck for leading a talk about marginal gains; it is early into term two and we are building up support for Year 11 students by offering afterschool catch up, homework clubs, yoga and mentoring support. With Year 11 parents'/carers' evening around the corner, we look forward to revisiting parental/carer support and reminding families about the key to successful revision environments and strategies.
8. Our school attendance target is 96% so we look forward to how much improvement has been made through House Assemblies. Letters about attendance will be going out to all parents/carers about how they can improve their child's attendance and again a reminder of the consequence of poor attendance.
9. Please note that detentions on Thursdays will be in the Small Hall due to rehearsals for the production.
10. May I remind staff to refer to the Seal Outcome and Commitment weekly with students contained at the top of the weekly bulletin.
11. On Tuesday from 3.30 to 5.30pm all staff are required to attend 'Prevent' training in the Small Hall. If any member of staff is unable to attend please let Mrs Willars know.
12. All teaching staff are reminded to attend all assemblies with their tutor group and supervise accordingly. Unless it has been arranged that staff are supporting other interventions during this time, we expect all staff to attend assemblies and share an active role in reminding students of expectations and behaviour whilst coming together collectively.
13. Ex-student Sam Gill joins us on Tuesday, Wednesday and Friday this week to gain classroom experience. Sam is considering a career in teaching following him graduating from University after studying Human Sciences. He will be based with Mr Pilling in Geography
14. We welcome Sarah Thomas on Monday who is joining us on a voluntary basis to gain classroom experience.
15. We welcome Patrick Wilson on Monday who joins us on a placement in PE. He is currently studying at Marjons and will be here until 9 February.
16. Thank you to the staff who have used the IRIS Connect system. IRIS will be in Science this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
