Homework timetable	Even week
---------------------------	------------------

1. Thank you to Miss Dixon, staff and colleagues for arranging and appearing in 'An Evening of Music and Song' at St Martin's Church on Friday.
2. Thank you to Mrs Casson for arranging the 'Looe in a Box' event this Friday. We look forward to welcoming the visitors who include The Mayor, The Town Crier – Mr Bennett, Mrs Dingle, Rev Sharpe, Local Shanty Singers, Mr Penhaligan from the Rusty Bucket, Mr Scarah from East Looe Town Trust, Mr and Mrs Birchwood Harper from Looe Museum, Mr Libby, Ellie's Haven; a representative from the Life Boat station, Cllr Hannaford and the Mayor Cllr Bryon for this very special event.
3. Thank you to Miss Gray and teachers for the Year 8 Parents/Carers evening last Wednesday. Please make sure any concerns or issues are followed up promptly.
4. Thank you to Mrs Palmer and the English department for organisation and smooth running of the Year 11 and 10 English Revision Days last week. Students appreciated this focus for the forthcoming exam.
5. Good luck to the Lower School Drama Club for their production of 'Techno Terror' on Thursday, please see notices for further details.
6. Good Luck to those participating in the Have a go Hero event at Liskeard School and Community College on Wednesday.
7. Would tutors please remind students about the exam zone and one way system procedures and rules. Students must not walking past or undo the barriers. During exams students should leave the Small Hall via the rear door. Students should not use the front staircase from middle to ground floor. There is no access from Sports Hall area, including changing rooms and Technology students must enter from outside and go through the Graphics Room. Access to student services is in an emergency only via Science. Students must remain silent when near to the exam zone too, this includes at the Year 11 locker area. All doors to exam zones have visible signs and barriers where necessary to aid and assist with the smooth running of this very important procedure.
8. Year 11 must not leave the school site if an exam finishes before the end of day, they must go to their normal lessons. Signing out arrangements apply to all students for health and safety. They also need to leave the exam hall area quietly and the exam zone before talking about the exam and wait until they get to classrooms or outside so as not to disturb classes and/or other exams in other rooms.

9. Please be aware that no network will be available over half term starting from 2 June 2012 to 10 June 2012. Email access via the school website will be available over most of this period but may be intermittent. Further to the email from Mr Payne sent to staff on Friday 11 May regarding network outage over the half term holiday, room 005 will be unavailable for booking in the final week before the half term holiday. Any fixed lessons which take place in room 005 will be moved into 006. Looking ahead to the network change over at half term: Student email content will NOT be moving across to the new mail server. Therefore it is imperative that students who have important school work stored within the email system move it out of the mail system BEFORE the end business on Friday 1 June. Mr Turpin will arrange the required instruction for students. Tutors please check that every student has had this information including absent students.
10. The Trustees of Cornish Quest have kindly sent us a selection of reference books on Cornish culture. These will be displayed in the Library and kept together as a reference section until people have had an opportunity to see the whole collection. These books include Cornish! A Dictionary of Phrases, Life in Cornwall in the early C19th, Cornish Place Names and The Theatre of Cornwall to name a few. Please take a look at this super selection of books which we have been given.
11. Please may I remind staff to continue to tidy and spring clean the disk space on their computers and remove all personal photos and items in order to free up the essential space which we are at present short of.
12. SLT monitoring this week will be looking at students' progress and quality of feedback given to students on how to improve their work.
