<b>Health, Safety and Wellbeing</b>
To help ensure their own safety, staff are to utilise the personal protective equipment (PPE) issued to them when undertaking tasks or using substances that have been assessed as requiring PPE. Should any additional PPE be required, staff should discuss their requirement with their manager. Where PPE is issued to students for lesson activities, they are to be briefed on its appropriate use, with checks made to ensure it is worn correctly. All PPE is to be checked prior to use - faulty or ineffective PPE is to be disposed of and replaced.

1. Thank you to Miss Wood, Mrs Feldberg, Mr Langdon and Mr Stevenson for the GCSE Fine Art, Textiles, Engineering and Resistant Materials Exhibition last week. It was lovely to see parents, carers and Governors at the event admiring the amount of time and effort the students have put in to their end pieces. We are immensely proud of our students and the amount of time our teachers support the talent here.
2. Thank you to all of the parents/carers for attending Year 8 Parents'/Carers' Evening last week, it was a wonderful evening celebrating learning and progress.
3. Thank you to the Performing Arts team for arranging the 'Sportswear' Mufti day and Dance-a-thon in memory of Miss Goodwin last week. The day was a great success and the funds raised of £753.08 will go towards commissioning an artist to produce a sculpture in her memory. Thanks also to Sheila's Dance School, Jodie's Dance School and Alumni students who also supported this. The day was full of energy and support, so well done to all.
4. We welcome the Autism Spectrum Disorder (ASD) Team from Cornwall Council on Tuesday to deliver training to all teaching staff.
5. Please note that due to examinations lunch time will change to 12.25-1.10pm from this week until Friday 15 June inclusive. Please remind students that exam zones are now in operation and must be observed. Exam chairs will be situated in the Main Hall until 18 June.

6. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the Coaching Group 1 department this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
