Dear Parent/Carer

Mathematics Revision Guide

As I'm sure you are aware, the Mathematics GCSE your child will be sitting has a different syllabus to previous exams, with some topics removed, added or redistributed among the tiers. CGP Books have created a set of revision publications to support this new course, and we are able to purchase these for a reduced price; a saving we would like to pass on to you.

- New GCSE Maths AQA Revision Guide for the Grade 9-1 Course (with Online Edition)
£2.50 (rrp £5.95)
This traditional revision guide book gives concise, student-friendly explanations of every topic, backed up with plenty of step-by-step examples, plus grade information (on the 9-1 scale) to show the difficulty level of each topic. There are also exam-style questions on almost every page, with answers included at the back. A code is printed on each guide to allow the online book to be used on mobile devices.
- New MathsBuster: GCSE Maths Interactive Revision (Grade 9-1 Course) - DVD-ROM
£5.00 (rrp £12.99)
MathsBuster is a complete revision and practice kit — just pick a target grade, and it guides students through their revision based on their strengths and weaknesses, with over 40,000 practice questions (all instantly marked), worked examples, revision notes, video tutorials, challenges, mock exams and more. The DVD-ROM is compatible with PC and Mac but can be only installed on one computer.
- New MathsBuster: GCSE Maths Interactive Revision (Grade 9-1 Course) - Online Edition
£5.00 (rrp £12.99)
MathsBuster is a complete revision and practice kit — just pick a target grade, and it guides students through their revision based on their strengths and weaknesses, with over 40,000 practice questions (all instantly marked), worked examples, revision notes, video tutorials, challenges, mock exams and more. The online version is compatible with PC, Mac and tablets (please check the CGP website to ensure specific tablets are compatible).

If you are happy to purchase one of these resources for your child, please complete the attached slip and either make a payment to school via ParentPay or return cash or a cheque payable to 'Looe Community Academy' with the slip below.

Please return the slip and payment (if applicable) by 15 July. We will order the resources ready for your child to collect in September.

Yours faithfully

Nicki Haddleton
Teacher of Maths
