16 April 2015

Dear Parent /Carer

SCUBA Diving in Challenge Week 2015 – 13 to 17 July 2015

In preparation for SCUBA diving in Challenge Week, we would like to invite yourselves and your child to an information evening with Plymouth Dive Centre to be held at the Academy on Tuesday 21 April 2015 at 5.30pm, when you can meet the dive team to find out more about the content of this fantastic course.

A schedule will be sent out in June detailing times of after school theory sessions, pool diving and open water diving days. Your child will need to bring swimwear, a towel, packed lunch/snacks and a drink for each day. There will be a pool or open water session each day of Challenge Week.

In accordance with the PADI Open Water Course there will be a written test based on the diving theory learned, and to achieve the full course accreditation both the open water diving and the theory test must be completed successfully; this will require a commitment to the after school theory sessions.

Please do not hesitate to contact us at the Academy if you have any queries.

We are looking forward to an exciting week in July!

Yours faithfully

Miss A Barker
Activity Leader
