Dear Parents/Carers

Re: NUT/ATL Industrial Action - 30 June 2011

As you will be aware, the NUT and ATL teaching unions are currently in dispute with the government regarding proposed amendments to conditions of service, including pension arrangements. Members of both unions recently voted in favour of industrial action regarding this matter. Subsequently, members of both teaching unions at Looe Community School have indicated their intended actions with regard to the above.

As a result of this process, the senior team, in consultation with the Chair of Governors, have decided that on 30 June 2011, the school will be **closed to all students**.

The decision to close is not taken lightly. With a significantly depleted teaching staff team, we are not in a position to deliver a curriculum without compromising our duties with regard to safety and welfare of students.

We have endeavoured to inform you of this decision as early as possible, in order for you to make appropriate arrangements. However, we do apologise for any inconvenience this may cause.

Yours faithfully

Miss H Jenkins
