- 1 Thank you to the Student Council representatives, Tom Pugh and Helena Simpson for accompanying Dr Evans, Chair of Governors and myself to the Remembrance service in Looe on Sunday at 10.15am where we laid wreaths on behalf of the Academy. We look forward to welcoming Mr Portman from the Royal British Legion to a special assembly on Tuesday for Remembrance Day. This assembly will run into period 1. A bell will sound to start two minute silence at 11am.
- 2 Thank you to Chair of the Student Council, Tom Pugh for attending his first meeting with Looe Town Council last Monday. It was good to hear the positive feedback from the Council on this year's examination results which he received from them. The Council passed on the message that they were very proud of the results
- 3 Thank you to former student and musician James Shead who joined us for our free assembly last week to perform his latest tracks. We wish him luck on his upcoming tours around the UK. WE congratulate him on his recording contract. His EP can be downloaded from iTunes. Thank you to Mrs White, Miss Wood and Mrs Casson for leading the assembly.
- 4 Children in Need is on Friday this week and will be a Mufti day, there will be a variety of fundraising activities taking place during the day. Children in Need is the Student Council's chosen national charity. Students may wear non-uniform in they make a donation of £1, or what they can afford, to this charity.( Non-uniform choices should not be beach attire or embarrassingly short or exposing!)
- 5 Well done to the Year 10 boys' rugby team who won 76:0 against Camelford in the second round of the County Cup. Thank you to Mr Riley.
- 6 From Monday until Thursday this week Emma Down, our Auditor from Robinson, Reed, Layton Accountants will be on site. Emma will be based in the exams room on the ground floor.

- 7 Would teaching staff please refer to their context sheets and look at students who are not flagged green as this flags a possible concern with progress. Lesson planning and differentiation should focus on these students and staff should be able to articulate to their leader of learning what they are doing to close the gap. Whilst time does not permit every intervention and action to be recorded, it is imperative that action is being taken. Smaller progress steps should be more evident in students' work. The next two weeks monitoring, including work/book scrutiny will focus specifically on the work of pupil premium students.
- 8 We are focussing on staff health and well-being and are planning an awareness and support programme. We are recruiting health champions from the staff body. Please see the notice from Mrs Woodman. Further details are available from Mrs Woodman or myself.
