1. Welcome to Ms Day who joins us as a teacher of Dance from Callington Community College this week on a secondment.
2. As part of their topic on the use of natural resources and how human activity relies on the effective functioning of natural systems such as tropical rainforests, Year 9 participated in a Geography Fieldtrip at The Eden Project last week. The main purpose of the visit was to improve students' awareness and understanding of tropical rainforests and sustainability issues, in preparation for their next Geography curriculum assessment. Thank you to Mr Pilling for arranging this and also to Mr Holland, Mrs White and Mrs Chapman who accompanied Mr Pilling and the students.
3. Thank you to Morgan Steeper in Year 9 for representing the Academy at a SMART Multi Academy Trust presentation at the BETT Show in London last week. This was an exciting opportunity where students presented to an international audience.
4. Thank you to Miss Curtis, Mr Riley, Mr Sheer, Miss Wood and Mrs Reynolds for disseminating best practice at the INSET session last week.
5. Thank you to the staff who assisted with the Holocaust Memorial Day event which was hosted by the school last Thursday. This was special interactive day of activities to commemorate, educate and celebrate the survival of those brave individuals who have experienced genocide. The event was put together by Devon and Cornwall Police, Cornwall Council, Falmouth University, University of Exeter and Truro Cathedral.
6. Thank you to Mr Deacon, Mrs Plane, Mr Richards and Miss Perring for accompanying students to the Plymouth Raiders Basketball match at Plymouth Pavilions on Sunday.
7. We look forward to the Year 11 parents'/carers' evening on Thursday this week from 4pm to 7pm. Year 11 reports have now been issued and parents and carers are invited to meet the child's subject teachers to discuss their progress.

8. As part of our whole-school drive to raise standards of literacy, we are currently carrying out a review and refurbishment of our library. We have also invested in 'Accelerated Reader' a digital platform that will help us encourage, manage and monitor children's independent reading through a system of levelled non-fiction books and computer based comprehension quizzes. In preparation for this launch students will be undertaking the STAR reading assessment to identify the level of book they should be reading in order to increase their vocabulary and improve their literacy skills.
9. Tickets for our school production 'Toad of Toad Hall' on Wednesday 8 and Thursday 9 February continue to be on sale from Student Services and on ParentPay. Adult tickets are £5 each and £3 for children and concessions.
10. Well done to the Year 9 football team who beat Bodmin College 4:0 in the County Cup match last week.
11. Welcome to back to ex-student Alfie Woollett who joins us for work experience from Monday until 3 February. He is currently studying at Truro and Penwith College and he will be based in the PE department.
12. For safety reasons students are reminded to keep clear of the passenger lift unless they have been provided with a key.
13. IRIS technology will be in maths this week which continues teachers' self-evaluation and reflection of lessons.
14. Please note that queues for buses will be in the Sports Hall all this week.
