Homework timetable

Even week

1. Congratulations to Mrs Ayhan and Year 11 students for successfully completing the wider skills qualifications, ‘Working with Others’, following the Enterprise Discovery day. 100 students have $\frac{3}{4}$ GCSE, grade B, equivalent qualification which they have achieved in their own time.
2. Congratulations to the Year 7 and 9 Girls’ netball teams who are the champions of North and East Cornwall. They will play the winners of South and West Cornwall in the Cornish Games. Thank you to Miss Curtis who coaches the girls and gives many additional out of school hours to practice and support the girls. Well done all.
3. Congratulations to Laura Toms who won the Devon Girls’ Club Championship at Newton Abbot Gymnastic Club on 18 February. She took part in the beam, bars, vault and floor routines. Well done to Laura on this superb achievement.
4. Thank you to Mrs Hallworth, Mrs Watkins, Miss Wood, Mr Gallihawk and Mr Shore for attending the Video Conference training last week. We look forward to new projects which exploit the capabilities of the new facility.
5. Thank you to Miss Wood, teaching staff and governors in attendance at last week’s parents’ evening.
6. Well done to the Let’s Get Cooking Club for raising £63 last Tuesday in their pancake sale. The funds will go into their club account.
7. Mercian Developments, on behalf of Tesco, hired the Gallery for two days last week in order to consult the residents of Looe regarding their proposals to build a supermarket and housing opposite the school in Barbican Road. We have some feedback forms left here by them which people can use to express their views. The Governors and I have expressed our concern over the unsuitability of being opposite the school with regard to road safety, traffic congestion and safeguarding our students. I am concerned about losing the feel of a rural environment around the school. Cornwall Council approved the route of the footpath for Barrett homes despite our concerns and it will be some time before the ‘compensation’ land at the end of the rugby field will be useable. As with the Barrett development, any section 106 money for education, associated with new building, will go direct to Cornwall Council. There are no proposals from Tesco to compensate or add to the school in any way.
8. Governors will be discussing school uniform this next week prior to consulting with students, parents/carers and staff.

9. Please would all tutors forward to me by 9am on Tuesday your group's feedback following tutor group discussions on 'what does ready to learn mean' and 'if you wanted to give the impression that you were ready to learn through your appearance, what would you look like?'
10. The Year 11 Geography fieldtrip this week to the North and South Cornish coasts go ahead as per calendar. Two further days will be added to the calendar in order that Year 10 have a similar experience. It is more effective and efficient if the trips occur twice in smaller numbers.
