1. May I congratulate the Class of 2017 and wish them well in the final preparations for examinations and arrangements for the future. The last opportunity to be together as a year group is Monday 12 June when we will come together for a special assembly during lesson 5. From Tuesday 13 June study arrangements will be altered and students are expected to attend school only for examinations or for revision sessions. Private study rooms available exclusively for Year 11 are the Small Hall and Library, where there are also computer facilities. Year 11 will be expected to sign in and out of the building at Student Services each day they attend school. Tutors will be available at tutor time as normal throughout the rest of exam season. If a student has no organised revision session after an examination they may sign out for the day, conversely, if they have an examination in the afternoon but no revision sessions in the morning, they may sign in by 1pm. The school canteen remains in full operation at normal times. I would expect the same high standard of behaviour, school uniform and positive attitude during these final weeks. Non-compliance will threaten attendance at the prom. Year 11 students need to complete their leaving form and see each member of staff who taught them to sign off their return of books, locker key etc. This should be done by Wednesday 21 June. Students have worked hard to get this far, and we are all extremely proud of them. Despite nerves at times, the students have had an excellent approach to their examinations and I wish them every success and luck with final preparations. We look forward to the Prom celebrations on Friday 23 June and look forward to issuing the examination results on Thursday 24 August at 10am.
2. Thank you to staff for last week's Year 7 Parents'/Carers' Evening. Please ensure any queries or concerns are followed up.
3. Thank you for Luke Moynan for visiting from the Youth Parliament, we look forward to him meeting with our student council soon.
4. We say farewell to Mrs Diggins, Teacher of Maths who leaves on Tuesday. We thank her for all her work and support for students and wish her well for the future.
5. We welcome Scott Davies (The SWSTA Research Schools Network) English SLE from Kingsbridge College to the academy to support the English Department and whole school literacy developments.

6. Please note that next Monday 19 June will be an INSET day, the Academy is therefore closed to students. We look forward to starting the new school timetable on Tuesday 20 June. Students will be issued with new timetables by their tutors on Tuesday 20 June.
7. IRIS will be in the Science Department this week which continues teachers' self-evaluation and reflection of lessons.

Mrs Jenkins, Headteacher

Monday 12 June

Early Lunch (12.25-1.10pm)

8.30-8.40am	Staff Briefing
