To be able to infer and deduce. To read widely and often.</p>
--

1. Thank you to Mrs Casson and all staff for supporting the Prison Me! No-Way! Programme last Monday. Prison Me! No-Way! is a national educational charity with a core aim of raising awareness among young people about the causes, consequences and penalties of crime.
2. Thank you to Miss Curtis, the PE department and all staff involved in the Sport and Wellbeing Day last Thursday. Thanks also to guest speaker Christian Roberts, an ex professional football player, from Sky Living for Sport who joined us for the day. The day has evolved from a traditional Sports Day to a more holistic experience where Health and Wellbeing workshops are offered alongside annual sports day athletics activities.
3. Thank you to Mr Mathews and Mrs Reynolds for accompanying students to The Royal Society Summer Science Exhibition in London last Friday. The Summer Science Exhibition is an annual display of the most exciting cutting-edge science and technology in the UK. This week-long festival features 22 exhibits from the forefront of innovation. Attendees were able to meet the scientists, try some of the hands-on activities or attend some inspiring talks and events.
4. We are delighted that Ruth Harris in 10 PEN has been selected for invitation to the United Kingdom Mathematics Trust's Summer School for Girls 2015. This will be held at Balliol College, Oxford from 16-21 August. This academic programme will introduce students to a number of mathematical topics that they may not have met before, and will allow them to develop important mathematical skills such as problem solving and proof. They will have lots of opportunities to work with each other and with the member of staff. The mathematical activities will be intensive and designed to stimulate around 40 of the UK's most talented young female mathematicians.
5. Last Tuesday we welcomed the Year 6 students who will be joining us in September for the day, thank you to all staff who supported this especially Mrs Woodman. A special thank you also to Miss Haddleton, Mr Shore, Miss Curtis, Mr Matthews, Mrs K White, Mrs Spencer, Mrs Richardson, Mr Green, Mrs Casson and Mrs Jackman for helping at the Induction Evening for Parents and Carers.
6. We look forward to our annual Summer Fayre at 5.30pm on Wednesday this week. We would be very grateful for any items that you would like to donate towards the event. This includes good

quality items that you no longer require but we would ask that you make sure that these items are in good working order and complete. Please do not include any mains electrical items. A variety of stalls are on offer including White Elephant, cakes, books and plants. We will also hold a Dog Show, a French Cafe and a barbecue. Our students will, as always, be running their own stalls and also giving dancing and music performances. We will be holding a raffle which will be drawn on the evening and again any prizes would be gratefully received. We would very much like to hear from any parents/carers that would like to help or who would like to assist in future events.

7. As Challenge Week is next week (w/c 13 July) we wish our staff and students travelling to the Isles of Scilly, Ardèche and London a safe journey and hope they have a very enjoyable time. Please see below for the details of our Home Programme of activities. Our Year 11 students (Class 2016) will be on Work Experience next week so
8. We welcome Ms Wills from the Faculty of Education and Social Sciences at the University of St Mark & St John on Monday. She will join us to carry out a study with Year 7 students about choice in the classroom and how this might impact on children's engagement at school.
9. Welcome to Georgia Owen who will join us for work experience this week. She will be shadowing Teaching Assistants in different departments each day.
