Mark for literacy.</p> <p style="text-align: center;"><u>Reading Objectives:</u> To be able to confidently locate and retrieve information from different places/sources. To be able to use PEE. To be able to infer and deduce. To read widely and often.</p>

1. A very big thank you and congratulations to all involved in the production of 'Annie'. As usual, this was a whole school community event, with helpers from within and outside of school, too many to mention here though the programme gives credit to them and their roles. (See website). The show was spectacular, truly professional and the audiences absolutely loved it. Special thanks to Mrs Turon (Director) for coordinating this masterpiece. Performances were held on 3 nights and a matinee. We were delighted to welcome to the audience residents from Hillcrest Nursing Home and our local primary schools.
2. Thank you to Mr Matthews, Mr Pilling and Mrs Reynolds for arranging and accompanying Y10 and Y11 students on the trip to Iceland during half term. The trip included many of Iceland's stunning sites and scenery. Conditions were right for them to see the Aurora Borealis (Northern Lights) too.
3. Thank you to Miss Goodwin for arranging for James Wilson, an internationally renowned choreographer, from the James Wilton Dance Company to deliver a workshop before half term.
4. We look forward to welcoming Professor Andy Phippen, Professor for Social Responsibility in IT, University of Plymouth on Wednesday. Professor Phippen will be working with groups of Year 9 and Year 10 students on aspects of internet safety and emotional well-being in the digital world.
5. This week we open our new Curriculum Support base in room 005. This will be an area where students can access the support they need in order to fully access their curriculum pathway.
6. We look forward to INSET this Thursday. The first hour will focus on 'Thrive' strategies all can use. The session will be led by the 5 Thrive Practitioners in school. This will be an opportunity to share practice and explore strategies. The second half of INSET will be completed in departments.
7. Thank you to staff for completion of Year 9 reports before half term. This Friday is the deadline for the formal Assessments in to SIMS context sheets for all year groups.

8. Following the Teaching Staff Meeting, reminder to staff to update their 'Prevent' training via the link below which includes information on the Government's Counter-Terrorism Strategy (CONTEST) through the Prevent Strategy. It provides guidance on how to 'recognise, understand and refer on' around people who may be vulnerable to radicalisation. Staff should complete the module and pass a copy of their completion certificate 24th March to Mrs Pollington. The link is http://course.ncalt.com/Channel_General_Awareness/01/index.html
9. All teaching staff are reminded to read and review the 'learner engagement' papers discussed at the staff meeting and to feedback to their departments
10. All staff are reminded that the document 'Guidance for Safer Working Practice for those working with children and young people in education settings' is required reading by all'. It is also available on the Academy website and was updated in October 2015
11. Tutors will be shortly be undertaking a review of their Tutor Group with Mrs Leeds or Mrs Richardson to identify students' behaviours that may be benefit from the Academy's emotional resilience support programme.
12. GCSE mock examinations (2nd round core) continue this week.

Mrs Jenkins, Headteacher
