Dear Parent/Carer

Psychology GCSE

The Humanities Faculty is offering Year 9 and Year 10 students the opportunity to study GCSE Psychology during after school enrichment sessions.

The sessions will take place every Thursday 3.15pm – 4.15pm.

The course will last for 2 years and result in a full GCSE qualification. Students involved in the course, will therefore need to be committed to consistently attending the after school sessions, in addition to completing other private study tasks.

I am delighted that your son/daughter has shown an interest in following this course and I have every confidence they will be successful.

If transport arrangements are likely to prevent your child from attending then I would be happy to discuss this further, as the Academy may be able to offer transport.

Please discuss the course with your child and return the permission slip below before the first session on **Thursday 19 September 2013**.

If you have any queries please do not hesitate to contact me.

Yours sincerely

Mrs H Casson
