Health, Safety and Wellbeing

The Academy is open to students on school days from 0800 – students should not arrive before this time as there is inadequate supervision. Students can remain on site after 1530 only if they are taking part in a supervised activity that has been agreed by SLT and features on the Bulletin (detention, homework club, sports clubs, rehearsals etc). Unless by prior arrangement with SLT, all students should be off site by 1630. If staff require assistance managing situations that arise outside of normal school hours, please judge the situation and seek support from site staff, Kestrel Guards (02380 865658) or the police (999 for emergency or 101 for non-emergency) – staff should not place themselves or students at risk.

1. Thank you to Mr Sheer for organising the Tag Rugby taster session for primary pupils last Tuesday.
2. Thank you to staff for the Year 9 parents'/carers' evening last Thursday. Please continue to discuss Option choices with students, the deadline for the return of the forms is Friday this week.
3. Please see below for new lunchtime arrangements regarding where students are and are not allowed to be at lunchtimes. This applies in both wet and dry weather. Students are not to be in classrooms at lunchtime unless they are doing a club or a revision session. The new arrangements will be explained to students in a whole school assembly on Monday and are effective from then on. If you have any comments or further suggestions for how to improve lunchtimes please pass them on to Miss Birkbeck.
4. GCSE Pod passwords have been reset to 'password' for all students who have already set up an account. Students can change this to something more memorable the next time they log in. Year 9 students will be introduced to GCSE Pod on Tuesday during PSCHE. If you teach Year 9 after this date then please set some homework to do with GCSE Pod or use for a class activity to get students used to using it.
5. Students have been issued with their pin numbers for Show my Homework which should be written in their planner.

6. The library prefects need your help. They would like to organise a book swap stand in the library as a quick and easy way for students to make recommendations to each other. The idea is that students bring in books they have read and enjoyed and no longer want and leave them on the 'Dalek' stand in the library for someone else to take. When they've read that book they can return it to the 'Dalek' for someone else to enjoy or keep it and read again! Please see Mrs Kevern for further information.
7. Advance notice that Glen Mynott from the NASUWT is holding a meeting for members here on Monday 26 March at 3.20pm.
8. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the PE and MFL departments this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
