Success criteria for Mind the GAP (genre, audience and purpose)
Drafting, re-drafting and proof reading
Modelling: Talk, model, write

Health, Safety and Wellbeing

Display Screen Equipment information and assessment forms are available in the Health and Safety folder on the T Drive

1. On Friday we say farewell to Miss Perring, Teaching Assistant. We thank her and wish her well for the future. Thank you also to Mrs Dolbear for covering as a Teaching Assistant this term.
2. On Monday and Tuesday last week three of our year 9 e-safety ambassadors went to London to the Houses of Parliament to present an e-safety activity to students from London schools. Our students Lauren Hutton, Finlay Barrett and Isabelle Chudleigh delivered and discussed an activity based upon social media and used emojis to rank the feelings of the London students. Our students also discussed the merits of the units of study with the CEO from the Diana Award who arranged the event and had detailed conversations about the benefits to representatives from Vodaphone who sponsored the event. We were also very pleased to receive a visit from our own MP for South East Cornwall Sheryll Murray who was working at Westminster at the time. She took time away from her busy schedule to visit the event and spent a considerable amount of time talking to our students. The activity concluded with a tour of the Houses of Parliament and a long train journey home. We were delighted with the way our students conducted themselves and demonstrated a very high level of knowledge on e-safety. Thank you to Mr Langdon and Mrs Jones for accompanying them.
3. Thank you to Ellie Bloomfield, Chair of the Student Council for representing the Academy for the first time at the Looe Town Council meeting last Monday.
4. Well done to staff for raising £190.10 at the coffee morning recently to raise funds for Macmillan Cancer Support. Special thanks to Mrs Spencer for organising this.
5. Thank you to the staff who have used the IRIS Connect system. IRIS will be in Science departments this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
6. The Academy breaks up on Friday for the half term holiday and reopens on Monday 30 October.

Mrs Jenkins, Headteacher
