Homework timetable	Even week
---------------------------	------------------

1. Welcome back from the half-term break, I hope staff and students enjoyed the holiday and Jubilee festivities. Welcome to Mrs Earley who joins us as a Teacher of Mathematics.
2. Thank you to Mr Payne and Mr Lees for building the new ICT network in the half-term break. This has been a tremendous achievement and we look forward to reaping the benefits; we are now independent of RM. Please bear with us with any teething issues whilst normal (and improved!) service resumes.
3. On Tuesday 29 May, it was good to welcome back Olympic Sailing Medallist, Joe Glanfield who came to celebrate the Year 7 'Be the Best that you can Be' programme. Thank you to Mrs Watkins for organising this event and the programme throughout the year.
4. Thank you to Mr Kevern, Year 11 tutors and all staff for their support on the Year 11 Leavers' Celebration Day before half term. It was a pleasure to award so many Headteacher's Commendations to the Class of 2012, the details of award winners will be added to the website.
5. Thank you to Abbie Todd and Clementine Hocking for the fundraising event they arranged in aid of Cancer Research; well done for raising £61.
6. Reminder Year 11 will continue to sign in and will use the small hall as a study space when they are not in revision lessons or exams. P
7. The new timetable rolls over and begins this Monday 11 June. All students have been issued with new timetables. Please inform the Admin team of any amendments to class lists in order that Lesson Monitor and Assessment Manager are correct. Any queries to Mr Keveth. Form tutors remain as before the break.
8. Ofsted announced on May 30 the results of their consultation 'A good education for all'. One change from September is that under the new arrangements, schools will receive almost no notice of an inspection with inspectors calling headteachers the afternoon before an inspection takes place. The overall judgement known as satisfactory is to be renamed as 'requires improvement'.
