Dear Parent/Carer

## KS4 Parent – Tutor Meeting and Future Pathways Fair

You are cordially invited to this important evening on Thursday 24 November 2011. The evening is in two parts; firstly a meeting with your son/daughter's form tutor and secondly an opportunity to gain further information about some of the possible future pathways that are available to students after they leave Looe Community School.

You will have already received a copy of your child's November interim report and will know that you are invited to discuss your son/daughter's academic progress with their form tutor. There are also limited appointments available for a meeting with either Miss Wood or Mr Kevern. To arrange an appointment, your child should organise this directly with their form tutor on your behalf. The parent-tutor meetings can be arranged between 4:00pm and 7:00pm.

To compliment the 'parent – tutor meeting' we have invited local sixth forms and colleges to be in attendance who will create a 'future pathways fair' in the main hall. We are also expecting representation from the armed forces. Between 5.00pm and 7.30pm, parents and students can visit the various 'stands' and speak to staff from these organisations about post-16 courses and potential career pathways.

Whether your son/daughter is in year 10 or year 11, we hope to see you at this evening. Please do not hesitate to contact us if you have any queries in the meantime.

Yours faithfully

*Miss K Wood*
