To help ensure their own safety, staff are to utilise the personal protective equipment (PPE) issued to them when undertaking tasks or using substances that have been assessed as requiring PPE.

Should any additional PPE be required, staff should discuss their requirement with their manager.

Where PPE is issued to students for lesson activities, they are to be briefed on its appropriate use, with checks made to ensure it is worn correctly.

All PPE is to be checked prior to use - faulty or ineffective PPE is to be disposed of and replaced.

1. Thank you to staff for the Year 7 parents'/carers' evening last Tuesday. The evening for Year 8 will be on Thursday this week.
2. We look forward to the annual GCSE Fine Art, Textiles, Engineering and Resistant Materials Exhibition on Tuesday and viewing the work of our talented students and staff.
3. Please note that MFL speaking exams take place from Tuesday until Friday this week. Students are reminded that exam zones and notices will be in operation in this area.
4. On Wednesday we will be holding a 'Sportswear' Mufti day and Dance-a-thon in memory of Miss Goodwin who sadly passed away one year ago. The funds raised will go towards commissioning an artist to produce a sculpture in her memory. Mufti is £1 and the Dance-a-thon will be 50p for the first session then by donation thereafter.
5. Please note that the student absence line number that parents and carers should now use is the main telephone number 01503 262625 followed by option 2. The number 01503 265334 is no longer in use.
6. Please note that due to examinations lunch time will change to 12.25-1.10pm from Monday 14 May until Friday 15 June inclusive. We send our very best wishes to our Year 10 and 11 students for their exams which start this week. The alternative timetable information is now available for staff.
7. We received a very positive letter from Bodmin College this week where they shared destination information on some of our ex-students who are doing fantastically well with their career ambitions.
8. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the Arts department this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
