1. Welcome back to Mrs Lancaster who returns on Friday.
2. Thank you to the staff who arranged, ran and helped with the Year 11 revision day last Thursday.
3. We look forward to the Year 9, 10 and 11 Key to Success and Positive Futures Evening on Thursday. We have secured a range of independent experts, including colleges, universities, businesses and apprenticeship providers to share their knowledge of further and higher education and employment-based training and to discuss the range of post-16 pathways, the choices available and the grades (now known as levels) and entry requirements for each of these. At 5.40pm there will be a Key to Success presentation. This is designed to empower parents and carers with a toolkit that will help their child to reach their potential and 'Be the Best they can Be'.
4. Due to the fantastic preparation that went into preparing for their performance in the Looe Music Festival, which was cancelled, we have organised a concert on Thursday for students to showcase their musical ability, so that we don't miss out on demonstrating the abundance of talent that we have at the Academy. This event is supporting Phab Kids charity, where 100% of the ticket sales and raffle money will go towards the charity which supports young people with disabilities to engage in community activities with their families. Tickets are available for purchase on the night only and not in advance. The performance starts at 7.30pm.
5. Please note that Friday is an INSET day and therefore closed to students. All staff will have defibrillator training between 10.30 and 11.00. First aiders will have additional training on this between 11.00 and 12.30pm. A defibrillator is now situated on the Academy site outside music. See the programme below for full details of the day.

6. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the Science department this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
