Reading Objectives:

To be able to confidently locate and retrieve information from different places/sources. To be able to use PEE. To be able to infer and deduce. To read widely and often.

- Welcome to Mrs Dove our new member of the site management team who joined us last week.
- As you know, the Governors, staff and students at Looe Community Academy have been working closely with a number of schools across South East Cornwall over the past year to strengthen the existing links between the schools. Ensuring the continuity and improving the quality of education for all of the young people in our local area is our biggest priority and to achieve this we have been working collaboratively to establish the South East Cornwall Multi Academy Regional Trust (SMART). Parents and carers are invited to a presentation and consultation evening this Tuesday at 6pm which will be held at Liskeard School and Community College. At the meeting governors, staff and students will provide more information about how SMART will work and what this means for students and their education opportunities for the future.
- Thank you to Mia Rowe, Morgan Steeper, Nathan Frankland and Sophie Deakin for attending the SMART Student Council meeting last week. Particular thanks to Mia and Morgan for planning the day. Outcomes of the day were highly productive with regard to the development of a new website design for SMART.
- Thank you to Rebecca Jeavons for representing the Academy at the Looe Town Council meeting last Monday.
- Thank you to Mr Diggins for accompanying four Year 7 students to a Maths Masterclass at Plymouth University last Wednesday. The Masterclass focused on Polygons, Polyhedrons, Flexagons and Topology and they had to work collaboratively to solve mathematical problems.
- Well done to Isabelle Warburton in Year 8 who will be representing the Academy in the UK Youth Parliament Elections 2017. Isabelle will attend a meeting at County Hall in Truro on Saturday to work on her manifesto, posters and leaflets to canvass support to be voted in as a representative for Cornwall. Next month all the schools and local areas will vote for 3 candidates and the successful

candidates will represent Cornwall at the Youth Parliament session at Westminster. Thank you to Mrs Owen for arranging this.

7. Thank you to external agency Brook for running workshops for Year 7 students on Relationship and Sex Education last week.
8. We are pleased to be hosting a special event this Thursday as part Holocaust Memorial Day. This will be a special interactive day of activities to commemorate, educate and celebrate the survival of those brave individuals who have experienced genocide. The event has been put together by Devon and Cornwall Police, Cornwall Council, Falmouth University, University of Exeter and Truro Cathedral and will be held in the Main Hall and the Library. The event will look at 'What is our role in helping those who have survived genocide and protecting marginalised groups in our Society'.
9. We are very pleased that work has now started on our Integrated Health Centre. This will be a fantastic resource for our students. The modular building should be delivered to site during February half term, with the aim of opening the facility in March. During construction the area has been fenced off and students must respect the boundaries and are to stay away from the compound.
10. If for any reason you relocate your class, please would you leave a note on your classroom door to say which room you have moved to please.
11. Queues for buses will be in the Sports Hall on Monday and Thursday this week.
12. IRIS technology will be in MFL and PE this week which continues teachers' self-evaluation and reflection of lessons.

Mrs Jenkins, Headteacher

Monday 23 January

Mrs Casson and Mrs Spencer off site, Timetabling course, Bodmin
