Health, Safety and Wellbeing We aim to have an accident-free year, so let's get ourselves off to a great start by reviewing all risk assessments in this first half term. For an organisation of our size (more than 5 employees), it is a legal requirement to have a written risk assessment. Whole school Health, Safety and Wellbeing information can be accessed on the shared drive at T:\RMstaff\Staff Resources\Health and Safety – Whole School, including whole school risk assessments and information on Display Screen Equipment. If you require any support or guidance then please discuss with your Leader of Learning for subject-specific matters or with the Business Manager for premises and whole school activities.
