<p>Literacy Objectives Closing the Vocabulary gap through the use of word walls, word games, vocabulary health checks, student friendly definitions Encouraging Academic Tone – through the teaching of Tier 2 Vocabulary (academic word lists) and dictogloss</p>

<p>Health and Safety Message The safe use of electrical extension leads It is always preferable to plug all devices in to the mains sockets that are provided throughout the Academy. Where this cannot be achieved, the first consideration should be whether the space can be rearranged to access existing sockets, or whether additional mains sockets can be installed. Where this is not practical, or where there is a temporary need, it may be necessary to use an extension lead. Only leads purchased by the Academy bearing an in-date PAT test sticker can be used. The leads are generally rated to 13 amps, but please establish the fuse rating on the plug and ensure it is suitable for the intended task. The total load of the all appliances that are plugged in to that extension lead should not exceed the extension lead rating. Staff are therefore requested to check any extension leads that they use to ensure that they are in-date and suitable for the equipment they are powering. Please discuss any issues or new requirements with Mr Minnette (or Mrs O’Connell for PAT testing). The online Helpdesk can be used to request support, report defects or request PAT testing.</p>

-------------------------	---------------------------------

1. On Friday we say farewell to Mrs Gavin our Examinations Officer. We thank her for all she has done for the academy and wish her well for the future. Mrs Iles will take over this post from Monday 18 March and we look forward to welcoming her.
2. Well done to the Dance students who performed at the Plymouth Raiders game on Sunday. Thank you to Mr Deacon, Mr Sheer and Mrs Day.
3. We look forward to the Year 9 Options Day and Evening on Thursday. Further information can be found below. Thank you to Mrs Reynolds for organising the day. I look forward to meeting parents and carers for the Options Evening at 7pm when the Options Booklet for 2019-2021 courses will be published.
4. Also on Thursday to celebrate World Book Day we will have a Mufti Day for Key Stage 3 students. The suggested donation is £1 and this will go towards the Academy’s library. Students can dress up as a character from a book if they wish. We know that if students read for at least twenty minutes four times a week they can improve their GCSEs by two grades. We continue to push the use of

Accelerated Reader and encourage parent and carers to access the following parental articles about the importance of reading at home: <https://literacytrust.org.uk/search/?query=parent>

5. Congratulations to Miss Clarke who is now Trauma Informed Schools trained. We look forward to developing CPD to support the ethos of restorative practice and SEMH and Wellbeing support the Academy offers to all of our students.
6. Year 10 parents'/carers' evening last week was attended by 72% of parents/carers, it was nice to have the opportunity to have conversations about the use of Dr Roy Paget's approach to learning and the encouraged use of GCSEPod. We are very pleased that the use of GCSEPod for revision is up on last year.
7. Last week the Academy sent out information about keep children safe online. The message was a reminder to students, teachers and parents/carers. We continue to revisit this through PSHCE and in assemblies.
8. Good luck to the students who are competing in the Magistrates' Mock Trial competition at Truro Magistrates' Court on Friday.
