Dear Parent/Carer

BTEC Dance Trip to Plymouth – Thursday 22 September 2016

On Thursday 22 September 2016, we are running a Key Stage 4 BTEC Dance trip to the Barbican Theatre in Plymouth to watch the James Wilton Dance Company.

This fantastic opportunity supports the BTEC course by focusing on the skills of appreciation. Students will learn through observing live professional dance performance how to develop technique and choreographic style. Our intention is for students to attend the live performance to gather some ideas for developing their own performance material.

The cost of the performance is £9 per student and in accordance with current regulations, participation is by voluntary contribution, and clearly if insufficient funds are raised in this manner then the trip will not be able to take place. You can pay online via ParentPay, or by cash/cheque (payable to Looe Community Academy).

We will be travelling to Plymouth by minibus, and will be leaving the Academy at 6.00pm. We will return to school at approximately 9.45pm, when your child will need to be collected. The students do not have to wear school uniform, but should be suitably dressed for the theatre.

If your son/daughter would like to buy a program, drink or snack, they will need to bring extra money. It is reminded that drinking and eating is not permitted during the actual dance performance.

We hope that you see value in the trip and thank you in advance for your continued support. Please complete the reply slip below indicating if your son/daughter is able to attend, together with the attached Parental Consent Form, by Tuesday 20 September.

Over the next half term James Wilton Dance Company will be making a special guest appearance to our BTEC Dance lessons to lead workshops, inspire our students and assist them with their performance techniques, and choreographic skills.

If you require any further information, please contact me at school or email me at jgoodwin@looe.cornwall.sch.uk

Yours faithfully

Joelle Goodwin
Leader of Arts and Performance
