

Looe Community Academy and SMART Policies and Procedures

We publish all of our policies and procedures for Looe Community Academy here:

http://www.looe.cornwall.sch.uk/index.php?option=com_content&view=article&id=82&Itemid=266

Some of these will be used by all academies across the SMART multi academy trust, and to ensure you have access to the very latest versions, we will point you directly to the SMART website at: <http://www.smart-trust.net/our-policies-and-articles/>

Should you need any support in finding a policy or need it in a different format, please contact parentcontact@looe.cornwall.sch.uk or ring 01503 262625.
