Dear Parent/Carer

### **Christmas Hampers 2024**

This year Looe Community Academy have committed to working closely with the Lions Club of Looe by providing Christmas Hampers for the community's elderly and vulnerable.

We have set the challenge for each tutor group to fill a bag of Christmas treats to be handed over in December.

We ask for your support in making a difference to someone's life this Christmas and we ask that where possible, please can every student provide a Christmas item for their tutor's collection bag. Treats can range from a packet of biscuit to a Christmas pudding, a box of chocolates to some Stollen cake and everything in-between.

In light of current global events, the sense of community, support and kindness is needed even more than ever. Though so many have been affected by the cost of living crisis through various means, if your family are in the position to contribute towards the tutor group's Christmas Hamper Collection bag this would mean a great deal to the recipients of these bags. The response we received last year was overwhelming and we as a school aim to create the same response with our contributions this year.

The bags will be collected during the last week of term in December so please can donations be brought in and given to your child's tutor anytime from now up until Friday 13 December.

Thank you so much for your support and generosity.

Yours faithfully

*B Robinson*
